INTRODUCING

Matitiaou Wax
"Mati"

Mati Wax is a new temporary employee in the Transmission Components Department (4731). He is planning to return to Israel in October to earn his engineering degree at Technion in Haifa. Mati is here through the United Nations program known as the International Association for the Exchange of Students for Technical Experience/United States (IAESTE/U.S.). His office is in 2E-5 and his telephone extension is 4433.

Richard Rapold

Richard, also here through IAESTE/U.S., will be an employee in the 4-GHz Long Haul Microwave Department (4711) this summer. He has come from Switzerland and will return to pursue his engineering studies at the Swiss Federal Institute of Technology in Zurich this fall. Besides skiing, Richard enjoys tennis and sailing. His room number is 2B-25 and his extension is 2456.

INTRODUCING

Keith D. Morse

Richard W. Russell
"Russ"

John A. White

This summer, Keith, Russ, and John are working as Laboratory Assistants at this location.

Keith will be with the Data and Digital Systems Department (4723). He plans to return to Wentworth Institute in the fall to continue his studies toward his Associates degree in Applied Sciences in Electronic Technology. Keith and his wife reside in Woburn and some of his hobbies are water skiing, boating, and electrical equipment. His room number is 3C-43 and his telephone extension is 4407.

Russ is with the Carrier Terminal Department (4724). He will return to Franklin Institute next fall to receive his Associates degree in Electrical Engineering. Russ commutes from Boston and he enjoys photography, scuba diving, rock climbing, and stereo in his spare time. His room number is 3E-50 and his extension is 2140.

John, who is with the 6-GHz Long Haul Microwave Department (4713), will also return to Wentworth Institute in the fall to earn his Associates degree in Electronic Engineering. John comes from Skowhegan, Maine, and is staying in Haverhill for the summer. John's hobbies are skiing and photography. His room number is 2C-43 and his extension is 3227.
